## Palm Beach Illustrated Dream House Award 2002

### GUEST ROOM

SANDRA BUNN, A.S.I.D.

HILDA FLACK INTERIORS, PALM BEACH GARDENS

Though teeming with safari-style details, an element of refinement pervades this bold guest room. The captivating dark-wood, four-poster bed centers the space; however, the eye can't help but wander — especially with so many wildlife-inspired accessories accentuating the room.
